Notice of Increase of Student Fees

The Board of Regents has decided that a \$75 increase in student fees is necessary to fund the construction of a new sports arena on campus. The old gymnasium cannot support the continued success of our championship-caliber Cougars basketball teams. Construction will be completed in time for next season and both the women's and the men's team will play their home games there. The old gym will be used for recreational play. This fee increase is the first of its kind in ten years. There will be no increase in student tuition at this time.
